

Greetings!

Thank you for joining the California Nut Festival We are excited to be able to hold our event and want to make sure you have all the details for the day of the event. We have also attached a copy of the Vendor Policies.

Things may look slightly different this year; however, the music, bumping into friends, and wonderful tastings will be the same as past years. We will place a hand sanitizer bottle at each vendor booth and at each table. We will space vendor booths and tables and have fewer chairs at each table for guests while listening to music and visiting. Each guest will receive a small hand sanitizer bottle. We ask that your staff follow your company's mask and glove policy.
